NECAP (New England Common Assessment Program) testing occurs again on October 16th for 5th and 8th graders. Please ensure that students have a good breakfast and are well rested – it can make a difference!

A **Success by Six Play Group** takes place at school this Saturday, October 13th, at 10 a.m., hosted by Mrs. Bowen, our kindergarten teacher!

The Montgomery Recreation Center's annual **Variety Show** will be Friday & Saturday October 12th & 13th, at 7:00 p.m. in the Grange Hall. Kid appropriate acts are scheduled for the first half.

A **Guiding Good Choices** parenting class is being offered at Berkshire School starting Tuesday, October 16, 5:30-7:30 PM. This five-week program is designed for parents/guardians/primary care providers of 9-14 year olds (but parents of children a little younger or older are also welcome). Guiding Good Choices is a very effective program and a great networking opportunity for parents who are concerned about reducing the likelihood that their children will use substances or engage in other risky behavior during their teen years. **Please call 527-5049, ext. 2 to register for this class.**

Reminder: **Electronic devices** (e.g. CD walkmans, cell phones and ipods or any electronic games) are not allowed to be used at school or school functions, **including on the bus**. These items may be confiscated and returned at the end of the day, and the student will be informed to leave them at home in the future.

Our **school website**, while still a work-in-progress, will now have parent newsletters posted each week for easy online access at montgomeryk8.net.

Have a great weekend!
