WALKING/BIKING PERMISSION SLIP –We have developed a standardized form for parents who wish to give permission for their child to walk and/or bike to and/or from school. *This is separate from the permission for walking field trips.* A copy is available on the school website – montgomeryk8.net. Please take the time to fill one out and send it to us ***if you wish to give this permission*** - even if you have previously sent us a note for this year. Thanks for your attention to this important matter.

The **FNESU Early Education Initiative** (EEI) is a home/school partnership developed to serve children of families that are considered economically disadvantaged and *who are not attending a qualified prekindergarten program*. If you'd like to learn more about this program, please call Cindy Gates at 848-7661 ext. 25.

Please notify us at school if your child has any **restrictions for physical activity**, p.e. or sports, due to an injury.

We are planning a **Harvest Party** with lots of fun activities at the end of the day on Friday, October 29th. This year, instead of trying to find room mothers for all of the classrooms – we'll contact parents to solicit food for the whole school party that starts in the gym at 2:15 p.m.

Meadow Farms Fundraising is offering a second "holiday" fundraiser. A brochure is available with frozen treats including delicious cookies, crumb cakes and Auntie Anne's soft pretzels. **Students who wish to may take order packets on Monday, October 18th**. Orders are due back at school by November 5th and payment is due at the time of the order. Your child's order must be picked up on the delivery date, which we expect to be during the 2nd week of December. We thank you again for your support for our school.

Note – parents of students who have signed up for **CHEERLEADING** should call Lisa Baker at 326-4176, to give her the shirt size to order.
