This international contest for students aged 11-13 encourages their expression of what peace means to them. You are invited to go online to view past contest finalists and send Peace Poster e-cards - go to www.lionsclubs.org

We have received a \$500 grant from the Exxon-Mobil Educational Alliance program to support school activities. The ExxonMobil Educational Alliance program is designed to provide Exxon and Mobil retailers with an opportunity to invest in the future of their communities through educational grants to schools. We appreciate the donation and thank ExxonMobil and Sylvester’s Quick Stop on behalf of our whole school community!

LINES FROM THE LIBRARY -

The **Book It Lunch Club** will meet again Wed. Nov. 19th from 12 to 12:30 in the library and will choose the first book for reading and discussion.

The **Scholastic Book Fair** was a success this week! Preliminary numbers have us near our goal. The students were very excited to see the new books, and quick to recommend new titles for the Library. It was wonderful meeting many of the MES families as they browsed. Thank you for supporting the library. Special thanks to my volunteers Marnie Bimm, Nicole Lantery and members of the PTCO, who helped make the Book Fair function with my two day schedule! We'll have another Book Fair next Spring! (Mrs. Bryce)

NO SCHOOL for students Thanksgiving week!

Have a great weekend!
