Several families have received AlertNow messages that get cut off. We've been told that the reason the message is cutting off is because it hears noise in the background, such as a TV, a dog barking, a child crying, etc. The next time the message stops playing, simply press "1" and the message will play from start to finish.

Special Bike Helmet Offer! The Center for Health & Wellness is offering helmets for only \$5!!! Order forms are available in the school office. Orders are due by Feb. 20th; please make checks payable to NW Medical Center. Helmets will be delivered sometime in April.

Have a great weekend!
