Vermont's Special Education Monitoring Team will be conducting a **Focused Monitoring** visit of the FNESU during the week of May 10-14, 2010. The educational support system and services available within our school will be reviewed. School staff, parents of students with disabilities and students who have 504 or EST plans or who have received special education services may be interviewed or surveyed. Please complete an opt-out form, which is available at school, if you wish that your child not be part of this review.

An online Focused Monitoring **Parent Survey** is available on the FNESU website, under the Special Education tab. We value your input! If you wish to complete the online survey but do not have internet access at home, please schedule an appointment at school where a computer will be made available to you for this purpose.

Lindsey Waldman, our guidance counselor, has a folder outside her office containing camp and campership information. The **Chauncey B. Warner Camp Scholarship** is an amazing opportunity for children in Franklin County. The deadline is April 1st. For more information, you may email her at lwaldman@montgomeryk8.net or call her at school Tuesdays or Thursdays.
