This 2008 Yearly Progress Report was based upon results from tests given in the fall of 2007.

We will accept Hood Sox Tops for Kids from packages of Hood Milk in the Lightblock Bottle. The program period ends on October 31, 2008.

Junior Gardeners – Wendy has arranged to have students in grades K-3 participate in garden club activities during *P.E. class times* the weeks of May 19th & 26th. This may help parents avoid any scheduling conflicts with after-school meetings, ballgames, etc. A summer schedule for the Junior Gardeners will be announced.

Have a great weekend!
