## Lines from the Library:

It's that time again! It's time to return your library books! Students with books still checked out received a reminder notice on Thursday. As per the borrowing policy, items not returned will incur a replacement cost. Please contact Mrs. Bryce with questions or concerns. We need those books back for the big summer project!

This summer the MES Library will undergo a huge project --Automation! This means that the card catalog will now be hosted online featuring enhanced search capabilities, including an information database for student research. Mrs. Bryce is looking for volunteers to help with this big project, no prior experience necessary.

Librarians Robin Bryce and Debbie Landauer will treat students in grades K-3 to a puppet show and introduce summer programs and reading challenges at the Town Library to students in grades 4-8 during a short presentation, next Wednesday, June 10<sup>th</sup>.

Be Creative @ Your Library - summer programs at the Montgomery Town Library begin with Backpack Theater presenting *THE WIZARD OF OZ!* The presentation is free and will be held at the Grange Hall on Saturday, June 20<sup>th</sup> at 2:30 p.m. You can sign up for the library's SUMMER READING CHALLENGES after the show. Visit the library's webpage or stop by the library to learn about all the fun events planned for children, teens and adults this summer!

Have a nice weekend!
